

24/7 online access to your retirement account

After registering for access at www.trsl.org, you can view your retirement benefit payment history, including the deductions that were made from your gross benefit, and even print a Form 1099R for tax purposes. You can also view your designated beneficiary, option chosen at retirement, employment history, and other benefit and retirement information all day, every day!

How to register

1. Go to www.trsl.org and select **MEMBER ACCESS** at the top of the page.

2. Click on **Register for Access to View Your Account** at the bottom of the next page and then follow the instructions for obtaining access.

Obtaining access to your retirement account is initially a three-step process: (1) register, (2) create your user ID and password, and (3) logon. First, you must register by providing certain personal information to authenticate your membership in TRSL and establish authorization. Once you register and your personal information has been authenticated, you will be issued a personal identification number (PIN) that will be sent via the U.S. Postal Service. After you receive your PIN, your second step will be to create a user ID and password. The final step will be to logon to the membership system to view your personal retirement account. Here's a sample *Benefit Payment History* statement:

Benefit Payment History

<i>Name</i>		<i>Retirement Plan</i> TRSL Plan A			
Date	Check/EFT #	Gross	Tax	Ded/Red	Net
02/01/2007	65	631.83	0.00	74.62	557.21
